

# Education & Training

With over twenty four years experience, Early Break offers extensive and invaluable drugs and alcohol education and training sessions. We also provide bespoke training packages to cater for your organisation's specific needs.

## Professional Development Courses - £50 per person [3 hours]

Our half day courses are perfect for anyone looking to bring their knowledge of drugs and alcohol up to date. The courses are externally accredited by CPD Standards and all attendees receive a certificate upon completion and a copy of our brand new, in- depth, 40 page Drug Facts workbook to take away with them.

### CPD Accredited Courses

- Basic Substance Misuse
- Novel Psychoactive Substances
- Image Enhancing and Performance Drugs

### Half Day Training Session - £450

3 hour session: Includes building awareness and knowledge around the range of substances that people use, including signs, symptoms and screening.

### Full Day Training Session - £650

Accredited full day training session providing more in-depth knowledge around substances including the law, parental or family substance misuse, signs and symptoms. This training uses tools that can be used to deliver education based work to young people and adults.

### Skills Workshops - £99pp

A more hands-on approach to training, our full day skills workshop, has been designed following a demand for more practical methods of supporting and engaging people.
